SUPPLEMENT No. 5 TO PART 752: INSTRUCTIONS FOR COMPLETING FORM BXA-748P-B END-USER APPENDIX

AUTHORITY: 50 U.S.C. app. 2401 *et seq.*; 50 U.S.C. 1701 *et seq.*; E.O. 12924, 3 CFR, 1994 Comp., p. 917; Notice of August 15, 1995 (60 FR 42767, August 17, 1995).

SOURCE: 61 FR 12835, Mar. 25, 1996, unless otherwise noted.

§ 752.1 Scope.

(a)(1) *Introduction.* In this part, references to the EAR are references to 15 CFR chapter VII, subchapter C. This part describes the provisions of the Special Comprehensive License (SCL). You may apply for an SCL, when appropriate, in lieu of a license described in part 748 of the EAR, or a License Exception described in part 740 of the EAR, for multiple exports and reexports of items subject to the EAR. The SCL provides authorization to make specified exports and reexports that are otherwise prohibited by General Prohibitions One, Two, and Three described in part 734 of the EAR. The existence of an SCL does not supersede an exporter's obligation to request a separate license as may be required by part 744 of the EAR. Because the Bureau of Export Administration (BXA) does not review each individual transaction authorized by an SCL, parties to the SCL must have the mechanisms in place to ensure that each export and reexport made under an SCL meets all the terms and conditions of the license and are in accordance with all applicable provisions of the EAR. It is through the design and effective implementation of an Internal Control Program (ICP) that the SCL holder and the SCL consignee (referred to as "consignee" for purposes of this part) assure that exports

and reexports are not made contrary to the EAR.

(2) *Definitions*—(i) *SCL holder.* As used in this part, "SCL holder" is that party approved on an SCL to perform activities approved under the SCL.

(ii) *SCL consignee.* As used in this part, "SCL consignee" or "consignee" means any party authorized to receive items under the SCL and named as a consignee on an approved Form BXA-752, Statement by Consignee in Support of Special Comprehensive License.

(b) *ICP requirement.* To qualify for an SCL, you must develop an ICP. Section 752.11 of this part includes a general description of the elements of the ICP, and guidance on which elements your company must implement before making shipments under the SCL. The elements of the ICP your company will develop reflect the complexity of the activities authorized under the SCL, the countries and items involved, and the relationship between the SCL holder and the approved consignees. BXA may require you to include in your ICP any combination of elements, depending upon the nature of your SCL application. During your pre-application consultation required by § 752.5(a)(1), BXA will provide you guidance on which elements you must implement.

§ 752.2 Eligible activities.

(a) *Possible authorizations.* Under the SCL, BXA may authorize you to perform any number of activities, which can be grouped under the general categories of "service", "end-user", "distribution" and "other" activities. Examples of the general categories include:

(1) *Service activities.* Exporting items subject to the EAR as spare and replacement parts for servicing or stocking.

(2) *End-user activities.* Exporting and reexporting items subject to the EAR for use as capital equipment.

(3) *Distribution activities.* Exporting and reexporting items subject to the EAR for the purpose of resale and reexport by consignees.

(4) *Other activities.* Other activities not included in paragraphs (a)(1) through (a)(3) of this section may be authorized by BXA under the SCL on a case-by-case basis.

(b) *Prohibited activities.* The general prohibitions described in § 736.2(b)(4) through (10) of the EAR apply to all exports and reexports by, and conduct of, all parties approved on your SCL, unless you are specifically authorized under the SCL to perform such activities, or the particular activity otherwise qualifies for a License Exception described in part 740 of the EAR.

§ 752.3 Eligible items.

(a) All items subject to the EAR, including items eligible for License Exceptions described in part 740 of the EAR, are eligible for export and reexport under the SCL, except:

(1) Items controlled for missile technology reasons that are identified by the letters MT in the applicable “Reason for Control” paragraph on the Commerce Control List (CCL) (see Supplement No. 1 to part 774 of the EAR);

(2) Items controlled by ECCNs 1C351, 1C352, 1C353, 1C354, 1E001, 1E351, 1E391, 2B352, and 2E301 on the CCL that can be used in the production of biological weapons;

(3) Items controlled by ECCNs 1C350, 1D390, 1E001, 1E350, 1E391, 2B350, and 2B351 on the CCL that can be used in the production of chemical weapons precursors and chemical warfare agents, to destinations listed in Country Group D:3 (see Supplement No. 1 to part 740 of the EAR);

(4) Items controlled for short supply reasons that are identified by the letters “SS” in the applicable “Reason for Control” paragraph on the CCL;

(5) Maritime (civil) nuclear propulsion systems or associated design or production software and technology identified in § 744.5 of the EAR;

(6) Communications intercepting devices controlled by ECCN 5A980 on the CCL;

(7) Commercial communications satellites controlled under ECCN 9A004.a on the CCL;

(8) Hot section technology for the development, production or overhaul of commercial aircraft engines controlled under ECCN 9E003.a.1. through a.12. .f, and related controls;

(9) Items specifically identified as ineligible by BXA on your approved SCL; and

(10) Additional items consistent with international commitments.

(b) Items controlled for nuclear non-proliferation reasons that are identified by the letters NP in the applicable “Reason for Control” paragraph on the CCL may be authorized on a case-by-case basis provided controls are in place to screen for proscribed end-users or end-uses.

§ 752.4 Eligible countries.

(a) *General provisions.* All countries are eligible under the SCL except:

(1) Cuba, Iran, Iraq, Libya, North Korea, Sudan, and Syria.

(2) Other countries that BXA may designate on a case-by-case basis as ineligible to receive items under the SCL.

(b) *Servicing prohibitions.* Under the SCL, you may not service any item when you know that the item is owned or controlled by, or under the lease or charter of, entities in countries identified in paragraphs (a)(1) and (a)(2) of this section or any national of such countries.

§ 752.5 Steps you must follow to apply for an SCL.

(a) *Step One: Establish applicant reliability—*(1) *Pre-application consultation.* To apply for an SCL, BXA must determine your reliability as a potential SCL holder. BXA usually does this through consultation with company officials and a review of the criteria identified in paragraph (a)(2) of this section. To determine whether your company requires a consultation before you apply for an SCL, contact BXA at the address, phone, or telefacsimile numbers included in § 752.17 of this part.

(2) *Criteria for determining eligibility.* BXA will review the following criteria to help determine SCL holder eligibility:

(i) Evidence of past licensing history and projected, continuous large volume exports;

(ii) Reliability of all parties relative to their compliance with the EAR;

(iii) Commitment of all parties of the necessary resources to implement and maintain an adequate ICP; and

(iv) Evidence of all parties knowledge of all provisions of the EAR.
